

Want to rent a house or condominium?

We are hoping that you will be able to make a mini-vacation out of our wedding weekend. Houses during this time of year are very reasonable and can be more affordable than hotel rooms. In order to help you, I have put together a list of realtors and houses that we suggest. All of these houses are Sunday to Sunday rentals either in Buck Island (where the reception is being held) or condominiums in the Currituck Club (which is about ten minutes away). You can also stay in any of the neighboring areas (Whalehead, Monterey Shores, Corolla Light) and there are plenty more houses in Buck Island on the water that are more expensive. If you would like (especially the younger people) to rent a house as a group and are looking for other interested people, please call either Judy (570-523-0925) or Missy (570-490-6894) and we will be happy to help with the arrangements. Use the web-sites listed and look at the houses before you book them and remember that prices are subject to change since I was looking at rental books from 2005. We are happy to answer any questions and make your visit to the Outer Banks as perfect as possible!

Things to remember when booking:

- The wedding is at the Corolla Chapel and reception is in Buck Island
- Book a Sunday to Sunday rental
