

For guests flying in for the wedding...

There are two airports close to the Outer Banks:

Norfolk International Airport in Virginia - This airport is the closest to the Outer Banks. Delta seems to run some good specials for those traveling from the North and other areas.

Newport News/Williamsburg Int'l Airport - This airport is about 30 minutes further away, but AirTran flies in here. There are often specials from major cities, including Boston.

Renting a car at the airport is the easiest and cheapest way to make the approximately 90 - 110 mile drive (depending on the airport) to the Outer Banks. You can also arrange for a taxi or a shuttle bus to pick you up at the airport and take you to the Outer Banks. If you want to take the shuttle, keep in my mind it will be cheaper to travel in a group. We will make every attempt to coordinate trips if your flight coincides with another guest.
